Players can participate only according to prior negotiations with tournament directors. Also, all non-GM (non-IM players in IM event respectively) players must pay entry fee.

Entry fees are deducted according to the 01 November 2018 rating list

5. ACCOMMODATION

Lviv is a large city with roughly 800 000 inhabitants, one of the host cities of the European soccer championship in 2012. Therefore, it's easy to find an accommodation that will meet your needs. There is a decent number of high-quality hotels available at moderate rates (only 50 - 100 euros per night) If you prefer cheaper accommodation, you can opt for a great number of cosy 3* hotels (20-25 euros per night). It's possible to get an accommodation in hostels (5-15 euros per night) as well. Also, if you contact organizers in advance, we may help you to rent a room/flat at a really affordable price. Food isn't expensive here (price for a three-course midday meal is not exceeding 5 euros). There is a decent number of restaurants, cafes, supermarkets etc.

6.VISAS

Ukraine has a liberal visa regime. EU citizens, USA citizens, Post-Soviet states citizens, few other countries citizens **don't need visa to enter Ukraine** For more detailed information, please refer to <http://mfa.gov.ua/en/consular-affairs/entering-ukraine/visa-requirements-for-foreigners>

7. USEFUL INFORMATION

First of all, we call your attention, Lviv is an absolutely safe place to play chess, in spite of the russian-ukrainian war on the east of the country. The closest military fights take place far away (at least 1000 kms). Therefore, you can feel absolutely comfortable and safe here.

City of Lviv is an unofficial capital and the largest city of the Western Ukraine, being located close enough to the Ukrainian-Polish border (approximately 70 km away).

To get here by air: City of Lviv has a modern airport with a decent number of airlines flying here (also low-cost airlines!) connecting Lviv with the rest of the world (primarily Western Europe). Check, if an airflight from your city is possible on the website of Lviv airport <http://lwo.aero/en/schedule>

To get here by train/bus: Each day decent number of buses perform regular trips from Poland (Warsaw, Wroclaw, Krakow, Katowice etc.). There is also a good bus connection with Baltic countries. Also, it's perfectly comfortable to get here from Poland, Hungary and Slovakia by train.

Tourism: Lviv is an attractive tourist destination. It's an old nice city founded in 1256. Throughout the history, it was a part of Poland, Austria, Austro-Hungarian Empire, Soviet Union and eventually Ukraine. That's why Lviv absorbed charm of Western Europe that is reflected in its unique architecture. This is a really nice place to visit and to fight for the GM/IM norms!

Local time is +1 CET

National currency is Hryvnia. Normal exchange rate is approximately: 1 EUR= 32,5 UAH; 1 USD = 28 UAH. **Due to the unstable political situation exchange rate may vary up to 10%. Therefore, we recommend you to contact organizers just before the arrival to get the actual one. Organizers don't recommend you to trade money at the ukrainian airports or at the rail stations as exchange rates are unfair there. The best way is to exchange money after arrival.**
